

Office of the Director of Education

May 12, 2020

Greetings everyone,

I hope you are in good health and are coping well with the many restrictions imposed due to the Covid-19 virus.

Please find linked a letter from Cardinal Collins regarding sacramental life during the pandemic:

[Letter from Cardinal Collins: Pandemic, Sacramental Restrictions & Planning for a Return to Sacramental Life - May 7, 2020.](#)

The letter includes information on the importance of sacramental life for Christians, temporary restrictions on sacramental life in the Church, and planning for a resumption of full sacramental life. Please note that the celebration of sacraments continue to be restricted in the parishes of the Archdiocese of Toronto, and will be rescheduled by each parish at a later date. Public worship will resume as soon as it can safely be done and according to a plan coordinated with the public health authorities. Some parishes may have begun announcing new dates for the celebration of the sacraments. School principals and parents are encouraged to contact their respective parish office for an update.

Wishing you continued good health,

Sincerely,
