The Toronto Chapter of the Ontario Association of Parents in Catholic Education, recognizes and respects the collective bargaining process. To that end, as the parents of children in the Toronto Catholic District School Board, we strongly encourage both partners to consider a return to the negotiation table to resume bargaining in good faith.

OAPCE Toronto's objective is to continue to advocate on behalf of parents of elementary students to excel in their school environment (which we recognize is a workplace as well). Putting our students first is paramount as we continue to work through the impacts and challenges of the pandemic.

Our Catholic schools need to continue to nurture our children's health, well-being, as well as promote the best possible learning outcomes for our children.
